1–4. soruları aşağıdaki metne göre cevaplayınız.

History of Science Club

Arda

Hi guys! Are we ready for tomorrow's presentation on historical inventions and discoveries?

Beren

Definitely! I prepared slides about Johannes Gutenberg and how his printing press made books cheap and accessible.

Cem

Great choice, Beren. I researched the ancient Chinese invention of the compass, which helped sailors explore the oceans safely.

Derya

And I wrote about Marie Curie! She discovered radium and polonium, and she was the first woman to win a Nobel Prize.

1. Who is going to talk about a scientific discovery rather than a mechanical invention?

- A) Arda B) Derya
C) Beren D) Cem

2. According to the chat, how did the invention of the compass change the world?

- A) It helped sailors travel safely.
B) It helped see planets.
C) It helped scientists find radium.
D) It made books cheaper to buy.

3. Which of the following is CORRECT according to the conversation?

- A) Arda researched the compass.
B) Beren will talk about cheaper books.
C) Derya prepared slides on Gutenberg.
D) Cem will talk about Marie Curie.

4. Which invention or discovery is NOT mentioned by any of the students?

- A) The optical telescope B) The printing press
C) The element radium D) The magnetic compass

5–8. soruları aşağıdaki metne göre cevaplayınız.

From: Dr. Hakan Çelik (hcelik@ankaraschool.edu.tr)
To: LabTech Supplies (orders@labtech.com)
Subject: Urgent Order for High School Biology Lab
Date: October 14
Attachment: Order_List_Oct14.pdf

Dear Sales Team,

Our 8th-grade students will start conducting microbe and cell experiments next Monday, so we urgently need 15 digital microscopes, 50 glass test tubes, and 30 pairs of safety goggles. Please deliver the boxes to our school before Friday afternoon and check the attached PDF for the exact model numbers. Let me know if any item is out of stock.

Best regards, Hakan Çelik

5. Why did Dr. Hakan Çelik send this email?

- A) To invite students to a lab
B) To complain about a late delivery
C) To order lab equipment
D) To ask about the model numbers

6. When do the students need the laboratory equipment to be ready at school?

- A) On October 14
B) Before Friday afternoon
C) Before next Monday morning
D) By the end of the month

7. Which item is NOT included in Dr. Çelik's order?

- A) Digital microscopes B) Glass test tubes
C) Safety goggles D) White lab coats

8. What can the sales team find in the attached file Order_List_Oct14.pdf?

- A) The model numbers of the items
- B) The prices of the items
- C) The school's delivery address
- D) The names of the 8th graders

9-11. soruları aşağıdaki metne göre cevaplayınız.

LABORATORY SAFETY GUIDELINES

- Always wear protective goggles and a lab coat during chemical experiments.
- Never taste or smell unknown chemical liquids directly.
- Wash your hands thoroughly with soap after handling test tubes.
- Notify your science teacher immediately if any glass equipment breaks or liquid spills.

9. What protective gear must students put on during lab experiments?

- A) Gloves and a lab coat
- B) Goggles and a face mask
- C) Goggles and a lab coat
- D) A helmet and goggles

10. What should a student do if glassware breaks in the laboratory?

- A) Put on goggles and a lab coat
- B) Wash your hands with soap
- C) Smell the liquid carefully
- D) Notify the teacher immediately

11. Which action is strictly forbidden during a chemistry experiment?

- A) Smelling an unknown liquid
- B) Listening to the teacher's instructions
- C) Washing hands with soap
- D) Wearing protective eye goggles

12-14. soruları aşağıdaki metne göre cevaplayınız.

8th Grade Students' Favorite Branches of Science (Survey of 100 Students)

Robotics & Artificial Intelligence	42 students (Designing autonomous machines and coding)
Astronomy & Space Science	28 students (Observing the solar system with telescopes)
Medicine & Genetics	18 students (Researching DNA repair, microbes, and vaccinations)
Paleontology	12 students (Excavating and examining prehistoric fossils)

12. According to the survey results, which branch of science is the MOST popular among 8th graders?

- A) Medicine & Genetics
- B) Robotics & Artificial Intelligence
- C) Paleontology
- D) Astronomy & Space Science

13. Which of the following is CORRECT according to the chart?

- A) Medicine is the top choice.
- B) Over 25% like space science.
- C) Paleontology beats medicine.
- D) Half of them like robotics.

14. A student who enjoys using test tubes and microscopes to study bacteria and cures belongs to the ____ group.

- A) Robotics & Artificial Intelligence
- B) Astronomy & Space Science
- C) Paleontology
- D) Medicine & Genetics
